

“Ben Portsmouth brings the ULTIMATE Elvis experience to Westlands Entertainment Venue on Friday, 5th September!”

Ben is not just a tribute artist; he is the real deal, being regarded as the closest living performer to the legendary Elvis Presley. With global success in over 20 countries, Ben Portsmouth brings energy, passion and authenticity in a way that no one else can deliver.

‘This is Elvis’ is heading back to Westlands this September after last year’s phenomenal show and you won’t want to miss it! The production offers a breathtaking journey through Elvis’s most iconic eras, from his early rockabilly roots to Ben’s personal favourite, the dazzling Vegas years. Greatest hits such as I Can’t Help Falling in Love with You, If I Can Dream, Suspicious Minds, Unchained Melody and Viva Las Vegas, will all be part of the repertoire!

In 2012, Ben’s remarkable talent earned him the prestigious title of **Ultimate Elvis Tribute Artist** during the contest held by **Elvis Presley Enterprises in Memphis**. Notably, he made history as the first non-American to win the honour. This victory propelled him into the international spotlight, leading to appearances on major stages worldwide, including headlining a **special Elvis week on the Late Show with David Letterman**, leaving the host lost for words, and iconic venues such as Westgate Hotel in Las Vegas and London’s West End.

Ben’s live shows are a celebration of everything Elvis stood for: passion, energy, and pure entertainment. **Audiences leave venues feeling as though they’ve seen Elvis himself** – such is the magic Ben conjures each time he steps on stage. With a voice that spans four octaves and a commanding presence, Ben delivers an unforgettable experience. His guitar skills add an authentic touch, while his ability to channel the King’s charisma **draws audiences into the heart of the performance.**

A true professional, Ben's work ethic and dedication to his craft are evident in every performance. Whether performing for a packed arena or an intimate crowd, **he creates a connection that transcends time**, reminding everyone of the enduring legacy of Elvis Presley. Through 'This is Elvis', Ben Portsmouth and the Taking Care of Elvis Band ensures that the King's music will live on, **captivating new generations of fans** and keeping Elvis's spirit alive.

At the root of Ben's exceptional touring career is a deep love and respect for the King's music and a privilege he feels in being able to display so many world-renowned songs to other Elvis fans. Portsmouth says, "It's fantastic to see such diverse age groups attending the shows. It proves what we already know – and that is just how much of a legend 'The King' was. **His music continues to touch hearts for many reasons.**" Whether you're a lifelong Elvis fan or just discovering his music, this is a show for all age-groups!

It is a love for his profession that keeps the flame burning... "At the end of the day, the greatest part is being on stage, feeling that you've given your best performance and making people happy," Portsmouth he explains. "If you walk off stage and think yeah, we've all had a good time, I've done my job."

Ben and the Taking Care of Elvis Band has welcomed packed audiences to **Westlands, Yeovil** multiple times, with Ben commenting, "we love coming to this venue, the audiences are always so much fun – really interactive – we're definitely looking forward to returning".
